FUND DESCRIPTION

This fund is actively managed and invests in a mix of cash deposits with different maturities and other cash like instruments. The objective of the fund is to provide capital protection, however it is not guaranteed and deliver return in line with the interest rates being achieved on short term cash deposit rates. The fund can invest in deposits, short dated government bills and other money market instruments. All investments within the fund are Euro denominated.

While the fund is not guaranteed this fund is suitable for investors who are seeking to maximise capital protection but appreciate the performance over the long term is unlikely to be in excess of inflation.

Warning: If you invest in this product you may lose some or all of the money you invest.
